Bless the moon and bless the trees
blessings on the birdies and blessings on the bees
please let the light that shines on me
shine on the ones I love

Over the mountain, over the sea,
that's where my heart is longing to be
please let the light that shines on me
shine on the ones I love.

I hear the lark, the lark hears me
singing from the leaves of the old oak tree
please let the lark that sings to me
sing to the ones I love,
